Independent Auditor's Limited Assurance Report of Foord Unit Trusts (RF) (Pty) Ltd (the "Manager")

We have undertaken our limited assurance engagement to determine whether the attached Schedule IB 'Assets of the Fund held in compliance with Regulation 28' at 28 February 2021 (the "Schedule") has been prepared in terms of the requirements of Regulation 28 of the Pension Funds Act of South Africa (the "Regulation") by Foord Balanced Fund (the "Portfolio"), as set out on pages 4 to 8. Our engagement arises from our appointment as auditor of the Foord Unit Trusts (RF) (Pty) Ltd and is for the purpose of assisting the Portfolio's unitholders to prepare the unitholder's Schedule IB 'Assets of the Fund held in compliance with Regulation 28' in terms of the requirements of Regulation 28(8)(b)(i).

The responsibility of the Directors of the Manager

The Directors of the Manager are responsible for the preparation of the Schedule in terms of the requirements of the Regulation, and for such internal control as the Manager determines is necessary to enable the preparation of the Schedule that is free from material misstatements, whether due to fraud or error.

Our independence and quality control

We conducted our engagement in accordance with International Standards on Auditing (ISAs). Our responsibilities under those standards are further described in the *Auditor's responsibility* section of our report. We are independent of the company in accordance with the Independent Regulatory Board for Auditors' Code of Professional Conduct for Registered Auditors (IRBA Code) and other independence requirements applicable to performing compliance with Regulation 28 of the Pension Funds Act. We have fulfilled our other ethical responsibilities in accordance with the IRBA Code and in accordance with other ethical requirements applicable to performing audits in South Africa. The IRBA Code is consistent with the corresponding sections of the International Ethics Standards Board for Accountants' International Code of Ethics for Professional Accountants (including International Independence Standards). We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Auditor's responsibility

Our responsibility is to express a limited assurance conclusion on whether, based on the procedures we have performed and the evidence we have obtained, the Schedule has been prepared in terms of the requirements of the Regulation.

We conducted our limited assurance engagement in accordance with the International Standard on Assurance Engagements (ISAE) 3000 (Revised), Assurance Engagements Other Than Audits or Reviews of Historic Financial Information (ISAE) 3000 (Revised) issued by the International Auditing and Assurance Standards Board. That standard requires that we plan and perform this engagement to obtain limited assurance on whether the Schedule has been prepared in terms of the requirements of Regulation 28 of the Pension Funds Act of South Africa.

A limited assurance engagement is substantially less in scope than a reasonable assurance engagement in relation to both risk assessment procedures, including an understanding of internal control, and the procedures performed in response to the assessed risks. The procedures we performed were based on our professional judgement and includes inquiries, observation of processes followed, inspection of documents, analytical procedures, evaluating reporting policies and agreeing or reconciling with underlying records.

We completed our audit of the financial statements of the Manager for the year ended 28 February 2021, prepared in accordance with International Financial Reporting Standards, on which we issued an unmodified opinion on 29 May 2021. Our audit was performed in accordance with International Standards on Auditing and not for the purpose of expressing an opinion on the Manager's internal controls. Where appropriate, we have drawn on evidence obtained regarding instances of non-compliance with the Regulation identified during the course of our audit that might materially affect the financial statements and have performed such additional procedures as we considered necessary.

The procedures performed included:

- Re-computing the Schedule's arithmetical accuracy;
- Reviewing the appropriateness of the classification of a sample of the underlying assets;
- Agreeing a sample of the fair values on the Schedule to the investment administration system; and
- Inspecting whether any instances of non-compliance with the Regulations were correctly disclosed on the Schedule.

The procedures performed in a limited assurance engagement vary in nature and timing, and are less in extent, than for a reasonable assurance engagement. Consequently, the level of assurance obtained in a limited assurance engagement is substantially lower than the assurance that would have been obtained had we performed a reasonable assurance engagement.

Accordingly, we do not express a reasonable assurance opinion about whether the Schedule has been prepared in terms of the requirements of the Regulation.

We believe that the evidence obtained as part of our limited assurance engagement is sufficient and appropriate to provide a basis for our limited assurance conclusion expressed below.

Limited assurance conclusion

Based on the procedures we have performed and the evidence we have obtained, nothing has come to our attention that causes us to believe that the Schedule IB 'Assets of the Fund held in compliance with Regulation 28' at 28 February 2021 by the Foord Balanced Fund, has not been prepared in terms of the requirements of Regulation 28 of the Pension Funds Act of South Africa.

Restriction on use and distribution

This report is prepared in terms of the requirements of Regulation 28(8)(b)(i)(aa) and is intended only for the Manager and Portfolio's unitholders for the purpose indicated in the first paragraph. Consequently, the Schedule and our report may not be suitable for another purpose and is not to be used for any other purpose nor distributed to any other parties.
